

bership obtained under this subsection (f) shall not carry with it the right to vote or hold office."

Proposed amendment to the constitution relative to inactive members

RESOLVED, That section (f) be added to Article IV to read as follows: (f) Inactive Members: Qualifications—The Council may elect as inactive members, on recommendation of the component county societies concerned, any member in good standing who leaves his practice for a period of six or more months to engage in bona fide postgraduate study, or who leaves his practice by reason of protracted illness and for whom payment of dues would be a hardship. Obligations and Rights—Inactive members shall not pay dues and shall not have the right to vote or to hold office, or if holding an office during the period away from practice shall relinquish that office.

Proposed constitutional amendment relative to dues of members in the armed services

RESOLVED, That the Constitution of the California Medical Association shall be amended: By changing Article XI, Section 1, Paragraph 2, thereof, to read as follows: "Annual dues may be reduced or waived with respect to those members serving in the armed forces of the United States during the whole or any part of any year, and in respect to any member for any cause, upon the recommendation of the Council or Executive Board or body of the respective member's component county medical association or society, and"
